Dogs' Homes Button Day - Collectors with Dogs Policy

The Dogs' Homes of Tasmania (DHOT) appreciates the efforts of collectors wishing to maximise performance on Button Day by taking their own or other dogs to highlight the need for donations.

However, with priority on dog welfare and minimising the risks associated with events being held off site, DHOT has instituted the following Policy.

On Button Day, no dog should accompany any collector for any longer than three hours on this day. Any collector taking a dog with them must ensure that the dog has appropriate water and shelter during the time the dog is with the collector.

Dogs should not be taken onto private property unless permission has been granted by the owner, landlord or centre manager.

This Policy applies to all dogs.

There are no exceptions from this Policy.

Should you have any questions or issues please contact Belinda Barnes, CEO Dogs' Homes of Tasmania, on 6243 5177 or 0499 071 640.
