In 2015 a Trojan virus wiped out our complete hard drive and back up, erasing 40+ years of stored information. We have slowly been replacing our computer system as we could afford and rebuilding our data files. Luckily, we managed to restore a spreadsheet with your details recorded to be able to stay in touch; however, the data is unreliable and incomplete. So that we can keep you updated on what's happening at the Dogs' Homes of Tasmania and communicate in a manner you are happy with, please be so kind as to take a few minutes to complete the form below and return it, with your tear off slip, in the reply paid envelope provided. Alternatively, this form is available on our website <http://dogshomesoftas.com.au/events-andprograms/newsletters/> to download and return by email office@dogshomesoftas.com.au or fax (03) 6243 7742. Thank you very much 😊
